## Yathrai Travel Scholarship

You need to get this registration number from: “[here](#)” after you register for YTS.

**My Registration Number:** 2010xxx

**Focus Area of my Travel:** I plan to focus on the Modern Architecture in Ahmedabad. I will be visiting and photo documenting works by Doshi, Correa, Raje, HC Patel, etc.

Be specific; A topic that appeals to a wider audience is better; The topic cannot be the same as any of the previous YTS [finalist's topics](#).

**Places I plan to visit:** I plan to visit places in and around Ahmedabad

Be specific; The scholarship prize money will NOT support a list of too many cities; The best idea would be to stick to 1 or 2 cities.

**Tentative dates of my travel:** I plan to travel during December 2011

These dates can be changed later; But you have to finish the requirements before the [due date](#).
